

Free Benjamin Spencer

Benjamin Spencer has been incarcerated for 22 years for a crime he did not commit.

On March 28th 2008 Judge Magnis in the 283rd district court in Dallas county recommended “relief based on actual innocence”. It is now over a year later and Ben is still waiting.

By Signing this petition you are making your voice heard and joining the call for the release of Benjamin Spencer, an innocent man who should not have to wait any longer.
